Various artists contributed to this tribute album to Jesse Sebastian, a dancer and choreographer, who left this world at age 24, way before his time. 12 MP3 Songs POP: Today's Top 40, EASY LISTENING: Crooners/Vocals Details: 'songs for the jesse' is a tribute album compiled as a tribute to the late Jesse Sebastian, who left us November 14, 2006 at age 24. Jesse was a dancer, performer and choreographer, but most importantly a friend to hundreds of people, whose lives he touched with his joie de vive. Note from the Executive Producer: 'songs for the jesse' came into being after Jesse passed away in November 2006. He was one of my best friends and a mutual friend, Paul Hardy, had asked me to help him put together a memorial service for Jesse that was supposed to take place in Hollywood, Florida in December. Unfortunately, the timing was not right, so instead of a memorial service, I decided to take the music I was planning on using and produce this tribute CD and sell it to raise money for his family and the Cole Academy of Dance Gymnastics in Muncie, Indiana, where Jesse had started his dance training. The artists on this CD had either worked with Jesse at some point, or are friends of mine who most generously donated their tunes and talent on behalf of this production. Please check out their individual websites, noted below. As for the title, one of Jesse's nicknames was "the Jesse." He had told me a story about how he had taught dance to little kids at a studio in his home state of Indiana. One day, he was getting grief from one of the mothers and another little kid came up to her and said, "You can't talk that way to the Jesse!" He loved that.
