Take a trip into a world fused with R&B/Soul/Hip Hop Melodies from an Acoustic Piano. Enjoy the ride as you play 'hopscotch' on each ivory key. We guarantee that this album will make you say, "ahh...finally, the return of REAL music." 26 MP3 Songs JAZZ: Jazz Fusion, URBAN/R&B: Soul Details: An accomplished musician and producer LaVelle has been playing acoustic piano since the age of 6. His long-standing love for Jazz and some of its ambassadors like Herbie Hancock, Bob James, Chick Corea and Joe Sample eventually lead him to pursue his own dreams. Since it was difficult for a young Jazz musician to maintain a stable income, he began writing and arranging R&B music for other entertainers. He's had success as a Producer working with the likes of Jimmy Jam Terry Lewis, Stevie Wonder, and Mariah Carey. After a career like that...he says, "Now it's my TIME!...to do the jazz album of a lifetime!!!" The album, Soul Piano Volume 1 is a creative musical blend of Funk, R&B, Hip-Hop, and Jazz that LaVelle presents through sensational "Soul Piano" artistry. We know youre gonna enjoy this ride!
