Dark poetry and philosophy set to folky and ambient rock music 9 MP3 Songs in this album (46:53) !

Related styles: FOLK: Alternative Folk, FOLK: Folk-Rock People who are interested in Radiohead Nick Drake should consider this download. Details: The music of New York City based singer/songwriter Marc Alter can be described as poetry philosophy set against a collage of folk, rock, blues classical sounds. The search for beauty in life is the catalyst for songs that tell stories colored with dark shades of unrequited love, longing, alienation, as well as social political injustice. Born in Central Long Island, Marc was brought up on the music of Tom Waits, Leonard Cohen, Nick Drake, The Beatles, Neil Young Pink Floyd, Neil Young/CSNY, Cat Stevens, The Velvet Underground, the Doors. Current influences include Elliot Smith, Radiohead, Ben Harper. After attending 5 town's music college Suffolk Community College, he moved upstate to New Paltz where he spent 7 years writing music, fine-tuning his solo performance collaborating with other musicians. He led two bands: Callisto Square HotBed. With these bands solo, he played at such venues as Cabalooza, Oasis, Snug Harbor, Bachus the Apple Wood Restaurant, The Cubbyhole in Poughkeepsie as well as festivals such as Harvest Fest Woodstock in Bethyl, NY. He won in a "battle of the bands" competition in New Paltz. Currently, Marc lives in the East Village has played venues such as 169 Bar, The Kion Lounge, The Door Lounge, The Pussy Cat Lounge, The Stain Bar, the Port Authority Concert series. Unafraid to bring his music directly to the people, Marc can sometimes be found playing on the platform at the Union Square subway station has played open mics at Lilly Coogans Sidewalk Cafe in the East Village the Goldhawk in Hoboken. Marc just completed his first album which is now available.
