gift from God that she is pleased to return to Him for His glory. Nancy is a Third Order Carmelite; she is  
also coordinator of The Intercessory Prayer Ministry at St. Kathryn Church in Hudson, NH. She is married  
to Jean Paul Charron; they have a large loving family. From inside CD cover: The Songs: One Person,  
One Soul was the very first song I was inspired to write. I do not know if I was half asleep or half awake; I  
just remember hearing the most beautiful music and words in the middle of the night, as I lay in bed.  
When I awoke in the morning, my first thought was: "What a beautiful dream and what a beautiful song." I  
found the song all written out in my own handwriting on the kitchen table a few minutes later. I was  
astounded then and I am still astounded. Ever since that day many years ago, the songs are still coming.  
I never know when or where, the songs just come. I have a sense that these special songs are given to  
bring healing and peace to all. May the ever Blessed and Holy Trinity be loved and adored by all and may  
these songs be a means to bring this Adoration and Praise to the Throne of God. Nancy B. Charron
