

Mp3 Ochi - Sleepless

My style is all phunked up. It's easy to listen to, hard to let go of. Soulful, thought provoking, often funny. Most definately sex without being uncomfortable. It's always GAY. 11 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: R&B Pop Crossover Details: This CD is a Collectors Edition. It is my very, very first CD and it is "RAW" as heck! At times the sound quality isn't what it could or should be. A few of the lyrics may even be a bit "ahhhh - special". It's unmastered and it contains the original versions of several of the songs off my current CD "Hand Technique" as well as the upcoming CD "Just Ochi". Within minutes you will notice a major difference. That's the difference in good engineering and mastering. Also, my style improved and so did some of the lyrics. I didn't want to remove this CD from the market because it makes a wonderful Collectors Edition. I won't release more than 100 of this CD to increase it's value for true collectors. It's another way I am trying to say thank you for all the love and support that so many have shown me. Doing My Best, Ochi justochi for a lyrically, good time.
