

Mp3 Sarah Jane Cion - Indeed

[DOWNLOAD HERE](#)

Exciting jazz pianos, at its best from, a leading young composer/pianist with horn tracks as well. 8 MP3 Songs JAZZ: Bebop, JAZZ: Jazz Vocals Details: Sarah Jane Cion is a pianist/composer/arranger of formidable taste and maturity for her years. What she accomplishes in this recording of originals and standards, sets her apart from many of her contemporaries. Her technique is arguably one of the finest among her peers, displayed by her mature approach and settled understanding of groove in jazz. Her rhythm section supports her with effortless grace and deep sensitivity. As Clark Terry quotes, "I couldn't find anything but enjoyment on this recording . Watch Out !"
