The Celtic folk humorist is back. Some silly, some serious, some instrumental. A gleefully mixed bag. 17 MP3 Songs KIDS/FAMILY: Kid Friendly, WORLD: Celtic Details: Seamus Kennedy, originally from Belfast, Northern Ireland, has been entertaining audiences all over the United States for the past 27 years. With a ready wit and a vast store of songs, he travels from Alaska to Florida, Maryland to California, performing for audiences which range from Popes and presidents to bartenders and bricklayers, from college students to kindergartners. "In every dealing that I have had with Mr. Kennedy, he has been indeed fabulous. My highest recommendation is provided." Kim Gardner, U.S. Army War College, Carlisle, PA In concert or festival, in pub or club, in colleges or high schools, Seamus Kennedy has the repertoire and the ability to make folks forget their cares for a while, to relax and enjoy themselves. He encourages the crowd to sing along to silly lyrics and daft ditties or act out the choruses of children's songs. When he plays a lively Irish jig or a reel, Seamus will often coax someone to jump up and dance to the music of his guitar or bodhrn - to the delight - and often amazement - of their friends. His audience participation songs and tongue-twisters have amused the ablest of participants and the nimblest of tongues.
