R&B POP 7 MP3 Songs URBAN/R&B: R&B Pop Crossover, URBAN/R&B: Smooth Soul Details: Hello everyone this is my official music page, I decided to be real with all of you so instead of someone else writing me a huge Bio I'm just gonna tell you a little bit about myself. Im Taisha Monet Bethea. I'm 16 years old I was born May 27th 1991, I've been singing since I was 3 but I realized this was what I wanted to do when I was 7. I'm a very diverse person I love many different genres of music it just depends on my mood that day. I'm not very competitive because I believe God has a special path for me I respect music and everyone in it. Ive been In a couple musicals "Bye Bye Birdie" and "anything Goes" Those were really cool to be apart of. I've also been In chorus/Adv. for the past 5 years, received an award for the most outstanding 8th grade alto, participated in Jay.M.Robinson's annual coffee House, And had a few solos in beginners and honors chorus. I'm pretty much your average teenage girl. I've been really busy these days in the studio, working with these really hot tracks produced by: Smiths Brothers, Kedner. And Written By: James Allen, Osei Jenkins, Kender (Cool Crew One). My manager's name is Sharon Allen, she's an awesome supporter and consoler she's been helping me with this singing thing since I was 10 and she's always been there!! If you have any questions feel free to message me or comment me. Everyone will be hearing a lot more from me very soon. Peace&love, Taisha
