URBAN/R&B: Soul, URBAN/R&B: Funk Details: WARRIOR In an era of music where careers have become very disposable, talent equals longevity. When the smoke clears real music will prosper. Standing at the forefront of the movement will be Chris Warrior. At an early age, such artist as Stevie Wonder, Prince, Lenny Kravitz and Sly Stone influenced Warrior. Poised, confident and creative, Chris Warrior's untitled debut is one of Neo Soul's best secrets. An OPUS is born. Recorded in Los Angeles, Warrior delivers a collage of 12 astonishing tracks, ranging from heart felt Street Tales, to timeless Love Songs. The album seamlessly blends from track to track. Warrior's innovative style combined with emotional, thought provoking lyrics, separates him from the monotony that's ever so present today. His uncompromising soulful blends and creative integrity are what music has been missing, and Warrior delivers the remedy. After one listen Warrior proves himself as a renaissance man, displaying his ability to paint vibrant pictures of reality. Chris's unique songwriting ability and un-compromised form of self-expression can be heard on standout tracks such as Look What U Done, Survive, and Water Flow. Encapsulating the soul of the 70's, eclectic beats, melodies and harmonies, and fused with the grit of today's Hip Hop, it's been years since an album commands the listener's undivided attention. Possessing a positive vibe with a hustler's mentality, Warrior bridges the generation gap of musical taste, winning the approval of the streets and the hearts of hopeless romantics on one sonic canvas.
