The Music is a creative innovative ride through the new breed of Hip Hop making your mind walk in different Paths and Directions. It's Hip Hop that makes you think. 20 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: East Coast Details: "Rise of An Empire" Marks down W.A.S.T.E.L.A.N.D.S. third strike at the hip hop industry and is Chi Mil Entertainment's second official release. This album takes you through a Rise of New Creative hip hop, where W.A.S.T.E.L.A.N.D.S. is structuring an Empire with Lyrics, Creativity, and showing their love for the what seems to be the dying life of Hip Hop. The album starts out with a little spoken word piece from Augury that the group decided to call "Precursor of Chaos" pretty much the leading into the album that will make your mind flip in many directions and patterns. With only a few features on the album, the group W.A.S.T.E.L.A.N.D.S. feels it chose the right artists to fit with them on the certain featured songs. Sun Zoo brings his style on "House That I built" where Denku and Augury back him up with building a House out of old-school documents and beat machines making what we live in as artists the House of Hip Hop. Hangar 18 brings thier B-Boy type rhymes and flow patterns on the song Shelter produced by Nasa(Uncommon Records) featuring DJ ShortRock on the cuts. This song is a very standout song on the album. Be on the look out for the song "Shelter" featuring Hangar 18 on the album, it is a very dope song. The final feature on the album welcomes Kentucky bred native, Deacon The Villain on the song "Sprinkle of God". For those who don't know Deacon belongs to the group "Cunninglynguists" and is signed with Qn5 records. He brings a very different vibe to the song and pulls it together nicely. Overall this album looks to have great potential of the album to place W.A.S.T.E.L.A.N.D.S. into many more peoples ears, maybe yours will be included.
