Discover the world of vibrational frequency beyond the physical self in this book series, Raise the Vibration around You. Nature has provided us with a bounty of natural ways to maintain health and wellness, and in this book series Raise the Vibration around You-author Dawn James eloquently demonstrates how to recognize and use these gifts of nature, and reveals several ways to raise the vibrational frequency in your home, work space and general surroundings In this first volume, Air, you will be inspired to increase the vibrational frequency in the spaces you occupy through the harmonic use of incense, essential oils, natural air purifiers and filters, wind, music and the sounds of nature. One or a combination of the methods presented will promote harmony, joy and balance. The more we live in harmony with nature and the elements, the more we will appreciate, cherish and protect this beautiful planet that all living things depend on. Learn more at raisethevibration.ca.
