Examine... Any Info Product Sales Page And Get Detailed Reports About What Makes These Pages So Successful Sales Page Examiner Pro software can analyze any Sales Page and find out more than 50 features about the page that makes it a raving success. Just point your mouse to the sales page location (url or a saved file on your hard disk) and click the Start button. The sales page gets downloaded immediately and analysis starts instantly. Within seconds you will get a detailed report on more than 50 different elements of the given Sales Page. View the results on your desktop or save for future reference. You can also email the results from within the software. Here's what you can do with this software:

Instantly analyze any info product sales page directly from the Internet and find out how the page has been designed. (Ebook sites, software sites, info product sales pages) Analyze your own ebook, software or info product sales pages and compare the results with other successful, money-making web sites. Get instant results for Search Engine Optimization (SEO) for keywords in your sales pages. Find out the Search Engine positions of your competitors. Learn the techniques used by your competitors in designing their info product sales pages. Discover the keywords used by your competitors and how those keywords

are used throughout their sales pages. Easily understand how headings, fonts and colors are used. Find out how many hypnotic words are used in any sales page that makes the visitor click the order button. Discover the techniques like, copywriting, writing styles, persuasive phrases and power words used in any info product sales page. All the above features and many more to give you complete control and power to build or tweak your sales pages so that your website brings you real cash and not just visitors!
