Sensitive Sommer Marsden What happens when a gorgeous angel is dropped in your lap? If you're psychic-sensitive Harper Brown, first you assume the guy's nuts, then you realize he's not, but you're too busy trying to undo his belt buckle and feel his pecs to care. When Alex Church shows up to watch over her-supposedly from heaven-Harper's flattered. And a bit unnerved. Oh, and super turned on. With the cemetery across the street revving her psychic engine, Harper's practically vibrating from both psychic and sexual energy. She should be focusing on aiding needy spirits, but with ready-and-willing Alex by her side, Harper's a bit distracted trying to discover just how sinful her very own heavenly creature can be.
