

A Woman Of Valour - Claire Tr©panier

A Woman of Valour is the biography of Marie-Louise Bouchard Labelle, a French-Canadian woman who found love with a priest thirty-three years her senior. Against all social convention, they lived, produced three children, and built a life together after fleeing their village. However, after several years together, Bouchard's husband ultimately chose to return to the priesthood, abandoning his family as a result. Through interviews and documentation, Claire TrÃ©panier tells Bouchard's story of survival while highlighting the history of women's stature in Canada, and raising a question about the celibacy of Catholic priests.
