Asking for Trouble Kit Tunstall Book Three in the Sundown Pack series. Orion's new assistant is exactly his kind of woman-sassy, sexy and curvaceous. He knows mixing business with pleasure is asking for trouble and resists temptation. When Natalie witnesses a murder, he moves her into his house. She's under his protection and under his skin. Natalie wants him, but can't believe he wants her. She's not supermodel material, but she can't ignore the hunger in his eyes. With her life in danger, she shouldn't be thinking about satisfying that hunger. Danger and desire bring them together but the truth could tear them apart. She doesn't yet know he's a werewolf, Beta of the Sundown Pack. He can protect her from those who want her dead, but he doesn't know if he can protect his heart.
