[DOWNLOAD HERE](#)

At fourteen, Donny Daniels let loose a horde of demons by opening a forbidden tome. His entire family paid for his crimes then. Now, years later, the past is catching up with him. The demons he unleashed are destroying the only life he's ever known, the only peace he's ever found, the only woman he's ever loved. Donny is scared for more than just his life. The demons of his past are not just figments of his imagination. They are very real, and they are tormenting Donny now in ways he never thought possible.
