Isn't it time to stop asking, What would Jesus do? and start asking, What is Jesus doing now? Follow is a real-life guide to discipleship the Jesus way. Here Floyd McClung tells how he traded a life of religion for a life of relationship with Jesus a relationship that led him to form communities of Christian disciples around the world. Taking the Gospels at face value leads Floyd to define a radical strategy for discipling new believers while strengthening our own devotional lives. He details practical ideas for forming discipleship groups that reflect Jesus's principles of accountability, transparency, humility, and outreach. Through it all, Floyd emphasizes the importance of following Jesus personally rather than adhering to ineffective rules or traditions. With stories and scriptural principles, Floyd McClung leads us through the liberating process of changing the focus of our lives from ourselves to Jesus so we can do life the way Jesus did and experience a richer spiritual life than we've ever known.
