Judith is an inexperienced young nurse, fresh out of college, when she is hired to work at the exclusive Dorchester Clinic, specialising in cosmetic care for its very wealthy clients. It isn't long before she realises the staff are regularly engaging in recreational pursuits of a decidedly lewd nature, with each other and their patients. From the nursing supervisor, the strange and commanding Mrs. Cox, to the clinic's well-toned gym instructor, Judith becomes enthralled by her new colleagues and the things they get up to. Learning to mix medical care with the special treatment that's on offer, she's only too willing to practice her new skills on the seductive Doctor Edouard.
