If you want to become more intuitive, this is the perfect book for you! Discover how a simple, age-old technique for finding water can help you get an answer to any question instantly, giving you intuitive guidance on the spot whenever you need it. This concise and friendly guide teaches you how to use a small pendulum when asking intuitive questions, rather than the classic forked stick or Y-rod. You'll learn to trust your intuition and make better decisions, remove blocks that are keeping you from achieving your dreams, and become more effective at work. You can use the knowledge gained from dowsing to improve your relationships, enhance your health, even communicate with your pets. Save time, energy, and money by using this simple form of divination.
