

# Mp3 Brainard And Russell - Life In Java

[DOWNLOAD HERE](#)

This innovative (acoustic guitar based) duo has brewed up some fine folk rock, invoking the spirit of Harrison, the essence of Dylan, and a shade of 70's California comfort. 12 MP3 Songs FOLK: Folk Pop, ROCK: Folk Rock Details: Mark Brainard and Tim Russell have been playing in rock bands together for over 20 years around the L.A. area, splitting their time between the original circuit, and with performing classic rock oldies for corporations and nightclubs. Their band won two Beatlefest "Battle of the Bands" competitions in the late 90's, and they also appeared on two Cheap Trick fan Tribute CD's. They have now come full circle, teaming up to create this all original acoustic based album titled "Life in Java".

Discover this long awaited arrival direct from their hearts. This twelve-song package carries top-notch songwriting, feel good licks, and sing along hooks. "We would be honored if you could now sit back, relax, and enjoy our music and our passion. We hope you enjoy "Life in Java".
