DOWNLOAD HERE

The songs are inspirational, fun, about life, and instrumental. The songs touch on styles in light Rock folk Country, Pop, Blues, and New Age 10 MP3 Songs ROCK: Classic Rock, ROCK: Modern Rock, Details: BREEZE WOOD It's Flu season and chicken soup is just what the doctor ordered track #1. Did someone break your heart? Check out Heart of Stone track #3. If you like Race Car Driving you will love Danger Zone track #8. Looking for Soft Rock with a Blues Flavor then you have come to the right place. Audiences have compared Breeze Wood to the likes of Sting ,Living Color and James Taylor. Breeze Wood believes very strongly that his music is created with an A and B relationship. A being God and B being himself. Prince, Sting, Phil Collins, James Taylor, Hall and Oates, Hoottie and the Blow Fish are just some of the influeneces he captures in his music . The music seems to come from what ever the vibe is felt at that time. Breeze Wood is a self taught singer, songwriter, and composer. He started playing music about 8 years ago and He had particular interest in the keyboards. At that time he could not read write or play music., It was an interest and desire. With lots of prayers and long practice nights, he, developed his musical key board abilities and vocal talents. His music is currently dazzling people around the world. BreezeWood has performed in K-Town and Frankford Germany, Paris France and various places around USA which includes Maryland ,Washington DC,Virginia and W VA. A native of Baltimore MD his music has been featured behind text information on The Baltimore Cable Access Television Station, and the CD was considered for the hit HBO Cable show "The Wire". The name Breeze Wood was chosen when He was traveling to Pittsburg Pa. Breeze Wood is a Town located in Pa. In closing I would like to thank all the peopele who have affected me and my music but most importantly I would like to thank GOD for making it all happen. Support Local music . It's the voice of your community. God Bless
