

Mp3 Edward Eatinger - Edward Sings Country Classics

[DOWNLOAD HERE](#)

Johnny Cash style 7 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Folk Details: Edward's entertainment career began in Chicago where he became an exclusive model for a well known modeling agency. His portfolio included television commercials, industrial films, print advertising, voice-overs, and work as a movie extra. He entered a look-alike contest sponsored by the Photo International Association and took first prize as Henry Fonda. Edward formed a look-alike agency, and soon had a roster of over 100, which included the likes of Elvis, Michael Jackson, Marilyn Monroe, Diana Ross, and other named superstars, which he marketed throughout the midwest. he produced a few live musical stage shows, appeared on numerous live television and radio shows, and participated in numerous charitable fundraisers. He is a graduate of Columbia College with bachelor of Speach degree and a graduate of the Academy of Fine ARts in chicago. Some of the positions he held in life were in finance, management and part time instructor for the National Safety Council before his involvement with intertainment. Edward wants to resurrect countrty classics with his unique style as though you were hearing them for the first time and introduce well thought out new selections for ech cd album produced
