She is also the author of affecting, emotion- bearing songs that are clothed in attractive, melodic garb. Billboard magazine Her vocals simultaneously call to mind the ethereal tone of Patty Griffin and the grit of Lucinda Williams Performing Songwriter Garrison Starrs greatest gift is her gorgeous, full, rough, passionate voice that can be ultimately pensive, intimate, hurt, consoling, libidinous, or scornful sometimes during the same verse. Her raw phrasing would take Sarah McLachlan and Neko Cases lunch money MSNBC Garrison Starr is a song writer, performer and recording artist with passion. She doesnt live and breathe for the hit parade, she doesnt play fashion doll, she just writes and sings her heart out. She knows what matters. In the American Idolized landscape that constitutes todays music business, she is someone to be thankful for... Mary Chapin Carpenter
