

Mp3 Gramophone - Pop: British Pop

[DOWNLOAD HERE](#)

Dark, beautiful and brooding. The Talk Talk of the 21st century. 15 MP3 Songs POP: British Pop, POP: Delicate Details: With an emerging cult following, Gramophone are one of Britain's best kept secrets - the self-titled debut album is darkly, spine-tinglingly beautiful. Described by the British music industry as 'The new Talk Talk' and 'Garbage with brains', fans of talents such as the Blue Nile, David Sylvian, Tori Amos and PJ Harvey will instantly fall in love.
