RAW B 6 MP3 Songs URBAN/R&B: Rhythm Blues, URBAN/R&B: Soul Details: At the tender age of twenty-two, STOP! The same old typical Bio, this is not Jus k. Jus k, known at birth as Kevin Nelson, is from Vandevor Houses Brooklyn, NY. It is time for people to hear his story, his life, and his struggle. Sometimes its hard for him to be him, but, everything in life is a lesson, an experience. At one time he was feeling cursed for everything wrongfully committed by his Pops. Just being homeless had him destined to give up, and end it all, but, he fought it, because he is a fighter, and a survivor, ending it would have been the easy way out. A master in the art of story telling is not Jus k. He is the story! His story will be experienced in his lyrics, if you get past his production. He is the proud son of Ms. Shirley Smith in BK, NY. That will be another story in his upcoming bookBrick Music. Hustlin from the young age of 16 has given him the experience to open for talented acts known as, Olivia, Allure, and Jimmy Cozier in 2001. Jus k, a.k.a The Triple Threat has produced the following original songs, Thugs in Love, and Shorty, from his first extended play titled- Brick Music. Production from the very same songs were used for- Destinys Child (If), Lloyd Banks (Karma) feat. Avant, Foxy Brown (Street Wars Mixed Tape Series), and one of Camrons latest tracks. Another story to be told in his upcoming bookBrick Music. *Original songs mentioned from Jus k available for listening and downloading in the Producer Section* With the new extended play now released, on the streets, Jus has to prepare himself for all that is sure to follow. Citing, Sam Cooke, Otis Redding, David Ruffin, Mint Condition, and Bobby Brown on his list of favorite entertainers, Jus ks style invokes a nostalgic feeling, a throwback to the voices surrounding a garbage can set a fire on a cold winter day. A style, he confesses, as raw soul, voice of the ghetto, Raw B. Jus k will take the music industry like Bricks fired from a Bazooka, as he graces and challenges music with his Triple Threat ability.
