'All 4 U' brings a fresh dose of pop rock with hooks to keep you vibing. 10 MP3 Songs GOSPEL: Contemporary Gospel, POP: New Wave Details: Marc, a rising solo worship artist, was born in Edmonton, Alberta. He grew to develop two great loves: God and music. Playing piano since the age of 6 and later learning the guitar and bass, he has developed a style all his own. Writing became a passion in his teens as he began to write worship songs sung in his local church. His solid melody lines make his music compelling yet easy to sing. I want to write music that helps people make that connection with God during worshipto swim out of the fishbowl and experience deep waterthe depth of who God is. Playing with the Outbreak Band while opening for a Sonic Flood concert in Edmonton, touring Europe playing trumpet in a jazz ensemble and leading worship at conferences for world-renown speakers Todd Bentley and Bobby Conner are among Marcs most cherished opportunities. Currently Marc is the worship director at Lighthouse Church in Stony Plain, Alberta where he works part time leading worship and writing/arranging musical productions. _____ 'ALL 4 U' captures the obvious hunger that is in every human being. The longing desire to know our Creator. The songs for this project were written from moments of reflection, personal growth and a desire to know Him deeper.
