

Mp3 Medicine Dream - Learning To Fly

[DOWNLOAD HERE](#)

Exciting and positive music that takes Native music and contemporary rock to new heights. Medicine Dream has done it again. 12 MP3 Songs WORLD: Native American, ROCK: Folk Rock Details: "Learning To Fly" is Medicine Dream's 3rd. masterpiece once again, it's breaking the mold of contemporary Native American Music. The concept of Learning To Fly is about learning to live a life rich in values, and finding the strength to overcome life's greatest challenges. Musically this recording has more of an "edge" sound than their previous two. The energy of these songs are incredible!
