

Mp3 Melodic - From The Chair

[DOWNLOAD HERE](#)

The singer/rapper/songwriter and producer "MELODIC" will surely capture the attention of anyone who likes hip-hop and R&B. His style has its place right up there with today's greats. He is one of the most complete artist to come on the scene. 16 MP3 Songs URBAN/R&B: R&B Rap mix, URBAN/R&B: Rhythm Blues Details: Melodic, born and raised in Harlem, U.S.A., has become one of Harlem's most critiqued artist in the new wave of music. Believing in his independence, Melodic is determined to crash the industry with his self acquired talents. Carefully blending his art form, his music will touch many audiences. Melodic's music is a direct reflection of his soul. Having worked with some of the industry's greats, Melodic fuses his experiences into his music. With a sound so diverse, he seems to bring a Prince feel to a Teddy Riley like flow back around to a D'Angelo like soulfulness with a hint of Michael Jackson's smoothness." GO FIGURE". And when it comes to expression, his twang and debonair is above normal dexterity. In other words, get ready ladies! Melodic, also a producer and songwriter, is bringing the fire when it comes to the melody behind the his. Having produced countless songs for other artists, he says "My beats are an extension of my vibration". This driven artist, producer, singer, rapper an songwriter is sure to make crowds jump with feeling as they listen to his vibe rip the industry. You will soon come to know him!!
