

Mp3 Nate Sparks - From Where I Stand

[DOWNLOAD HERE](#)

Nate Sparks delivers this debut album with deep, rich vocals and brilliant writing style. Traditional country for today's musical tastes. 8 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Pop
Details: From Where I Stand features the musical talents of some of Nashville's finest players! Gary Carter arranged and played steel guitar, dobro, and drums on the CD. Gary's credits include working with Faith Hill, Pam Tillis, Lorrie Morgan and others. Danny Parks performed all of the acoustic and electric guitar work and has performed with Toby Keith, Brooks and Dunn, and Sammie Kershaw. Finally, Eric Normand provided a solid foundation on bass guitar with performance and studio credits with Toby Keith, Vern Gosdin and more. You can see many of these players regularly on the Grand Ole Opry stage in Nashville, TN. and on CMT! Nate Sparks is a Virginia native and has played and written music since the age of 6. His new independently released CD contains all original songs. Nate performed keyboard tracks and vocals on all of the tunes. The title track, From Where I Stand is a tribute to the brave men and women of our armed services, police, fire and rescue.
