"The Mind, The Music, The Moment...The Classic" 18 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: Biography Nick L. Bagg Many say that the true feeling of expression is being sacrificed for the almighty dollar. That the music that once dwelled only in the streets of New York is now battling itself to keep its true identity while it grows. Though hip - hop music is highly saturated with artist of different backgrounds, sounds, and hometowns, many still believe that the creativity factor that once made hip- hop such an innovative sound has been lost to the overwhelming demand for "commercial songs". As the battle ensues, along comes Washington DC born Nick L Bagg who before anything else is a true lover of all music. He believes hip-hop has no boundaries and should be pushed as far as she can go. Being a rap artist as well as a producer he feels he can impact the music industry with heart felt lyrics and soulful music. Nick Bagg's music can be best described as versatile. By blending and experimenting with all types of sounds, he tries to find new and innovative ways to take the music to another level. He prides himself on being a True MC, who can attack any type of music with a various amount of different flow styles. Whether through his lyrics or through his music, Nicks goal is to make people aware and change lives. Touching a wide variety of topics, his sound is filled with hopes of informing, helping, and comforting others. The child of a single parent home (mother), Nick Bagg was introduced to music at an early age. His grandfather sang in the church choir and his uncle was always listening to the latest music on the airwaves. Not knowing the impact these listening sessions would have on his future taste he always enjoyed the music for what it was, classic. In fourth grade Nick Bagg began lessons on the trumpet. He played instruments all the way through grade school but it was not until Fairmont Heights high school did he realize his true love for music. His Music teacher, Mary Cole helped him realize that music was not just a hobby but that it was a passion and it was what he wanted to do for the rest of his

life. Growing up around violence, drugs, and crime did not always make it easy to stick to his plans but he knew there was a destiny for him to fill. Nick Bagg went on to attend Hampton University where he studied Music Engineering. Determined to learn all there was about recording he stayed in the studio perfecting mic skills and learning music production. Now signed to the Maryland based Mid East Records and co- founder of Bully Music Group, Nick L Bagg is prepared to make his mark on the music industry. So be on the look out for that DC breed Nick L Bagg, coming to a radio or television near you.
