

Mp3 Null Device - Excursions

[DOWNLOAD HERE](#)

Deeper explorations into a blend of angular electronica, breakbeat, techno, downtempo and electro dance with various elements of world music, from India, Persia, and the Middle East. 11 MP3 Songs

ELECTRONIC: Electronica, ELECTRONIC: Breakbeat/Breaks Details: Building on concepts explored in their previous releases A Million Different Moments and The London EP, Null Device return with deeper explorations into their blend of angular electronica and various elements of world music. Instrumentations and styles from India, Persia, and the Middle East blend with a mix of breakbeat, techno, downtempo and even electro dance. Null Device , once again, refuses to be pigeonholed. "Excursions" promises to be one of this year's more diverse albums on the independent electronic music landscape. Their finest release to date, so immerse yourself into beats, melodies, and atmospheres that you won't soon forget...
