Off The Top BABY... Our own style the way we like it 14 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hardcore Rap Details: Off the Top. T Skillz, Cashisus, J Maine, D Cole, And D Mosha all are performers, Recording artists, and entrepreneurs (Himalayus Production) based in Akron, Ohio. T Skillz is also the producer. With only one album, a popular single and a large amount of production work to his credit, Off The Top has built a reputaion from the ground up. "A lot of people say you can't start in a small city," We says. "But that's where you build your fan base and gain RESPECT." On their one album "Americas Most Wanted" The "What You Mean" single proved to be a hit song for many who heard it. "When we was creating the album, What You Mean and The Champs is Here" were the songs that stood out to us, the ones that would help create awareness of the album. " "It's not about having to have millions of fans, I can have a hundred or a thousand, and as long as they are sastisfied, I'm cool", Presently Off The Top is in the studio recording their 2nd underground album title " The Best Yet" scheduled to be released Fall 2006. "One goal we have is, to gain nationwide exposure for my music, we want to reach the platinum status, thats something we've never done before."
