An intense, slow deep ambient excursion; hovering, shimmering, dreamlike, Surreal. 6 MP3 Songs in this album (59:31) ! Related styles: ELECTRONIC: Ambient, AVANT GARDE: Psychedelia People who are interested in Steve Roach Michael Stearns Brian Eno should consider this download. Details: Zerkalo: Mirror Tangential glimpses remotely echoed, untethered from touch. No time nor place, no past nor future, internal, external. Sculpting from energy, clouded motion vaguely slipping. Evanescent vibration, without meaning apart from its own open secret. _____ Zerkalo is a collaboration between Robert Rich and Faryus (Andrey Sadovnikov) an ambient composer in St. Petersburg, Russia. Zerkalo means Mirror in Russian, yet another fond reference to a Tarkovsky film. Zerkalo is an intense and slowly moving deep ambient excursion. If you liked Stalker (the collaboration between Robert Rich and B. Lustmord) or Robert Rich's Below Zero, then Zerkalo should interest you. This is a limited edition of 1000 CDs, with only a few hundred for sale in the United States. The remainder will be in Russia. The packaging consists of four color cards and CD inserted into a gatefold and sealed in a clear envelope. Robert has signed the inside of each of his copies. Once the CD pressing sells out, the CD will be available only as a download. FAR-22, 2008
