

Mp3 Smart Tails/felix Pando - Lullabies For My Dog

[DOWNLOAD HERE](#)

Pets music with soothing sounds and musical harmonies to engage the animals listening ability and enhance its stability 11 MP3 Songs KIDS/FAMILY: Lullabies Details: Felix Pando is the creator of the special techniques used in all the products. He has a long history as a successful musical producer and composer. At age of two, he began to practice piano and at four he performed his first classical piano concert. At sixteen, he dedicated to pop music and one year later his band La Joven Guardia (The New Guard) recorded the first rock album sung in Spanish, and became number one selling rock group in Argentina and Latin America and was an inspiration for a movie with the same name, Litto Nebbia Felix Pando received two gold awards and was honored as best composer by Argentinas copyright control society. He visited Germany in 1978 with a sound engineers scholarship and subsequently remained there for twenty-six years. In 1989 he composed the Anthem of the Olympian World Games in Germany. He has created musical compositions for films, theatre, documentaries, childrens series, etc. In 1996 he was contracted as musical arranger for the Berlin Philharmonic Orchestra. Since the mid-1990s he has focused his attention on music with a purpose the Well-Being or quality of life: The project titled The Art of Living presents music that allows the listener to be transported to a relaxed and comfortable state of mind. His Music for Babies with instruments such as viola, violin, music box and flute, with the appropriate frequencies for the delicate hearing of a newborn, is perfect methods for helping their mental development. This music is well known around the world. His goal, the well-being, is reflected again in his series Smart Tails; this series was developed specially for animals with soothing sounds and music with frequencies specially formulated and created for him to reduce the pet's anxiety and engaging the pet's listening capacity and improving its strength, helping in this way their behaviors are genuinely happiest animals It is this commitment to exploring the nuances of music to enhance the spirit that sets Felix

Pando apart from the crowd.
