

Mp3 Sulinha Boucher - Sulinha For Kids

[DOWNLOAD HERE](#)

Multicultural fabric of music uniquely woven together with rhythms and lyrics from Brazil and around the world. Sulinha for kids is fun for kids and parents. The CD is basically done with all acoustic instruments. Lots of guitars, percussions and vocal. 13 MP3 Songs KIDS/FAMILY: General Children's Music, LATIN: Brazilian Jazz Details: Sulinha Boucher Brazilian guitarist and singer has been performing in the United States since 1995. Her project "Sulinha for kids" started after a few years performing for area libraries, preschools and elementary schools around MA. This CD has many multicultural elements and includes some original and some traditional songs." By adding rhythms from my native Brazil and languages from other countries I tried to make my interpretations different, educational and artistic. This old man is done as a Samba. The days of the week around the world is done with a Reggae beat and is sung in German, French, Spanish, Portuguese and finally English. Color Blue is in Blues form and teaches colors. Itsy Bitsy Spider is a Bossa Nova. Good Night is a soft original Ballad sung in English and Portuguese. This CD is full of talent musicians who play in styles not usually heard in children's music. The lyric sheet will make it fun for you and your child to listen and learn while you sing along. Take a minute or two to sample some songs. Enjoy! Sulinha Boucher - acoustic, electric, 12 string guitars, kalimbas and vocals Catherine Peterson - percussions Alex Carvalho - acoustic and electric guitars Marion Campos - nylon and 12 string guitars and cavaquinho
