"infuses the generic emo-punk sound with a touch of psychedelia and a flair for solid hooks to arrive someplace fairly unique." - Jim DeRogatis, Chicago Sun Times 9/27/02 9 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: We should have named the band Shampooer. Buy our disc. It will serve as an important historical marker, a milepost, if you will, of an era in the history of The Interociter that will never be repeated. Even the reunion tour will have a new singer, orchestra, and pharma rep. Jim DeRogatis liked the disc. jimdero.com/News2002/Sept27Live.html You like Jim DeRogatis. The disc likes you.
