Called ..."Stevie Ray Vaughn meets Pink Floyd and the Moody Blues"...to naval contemplating rock stylists...to one of the tightest sounds I have ever heard as a reviewer... 9 MP3 Songs BLUES: Rockin' Blues, ROCK: Progressive Rock Details: Blues Based Psychedelic Progressive Rock Blues song of the day, best drumming and vocal work at garageband.com. Awarded best melody, awarded Song of the day at mp34uNumber one songs at the old mp3site, number one song at isound.com, too much underground radio and public radio support to list. There's plenty to listen to on this psychedelic blues/pop rock extravaganza with indie stylings. Now called Day44, The Whitefields Band "In Search of the Mysterious Mister Pigg" is the strange tale of shape shifting laboratory experiment gone astray who later becomes "The Champion" a super hero defender of justice and right in a cold and cynical world. Written and performed by the blues based psychedelic and progressive rock band or "naval contemplating rock stylists... according to listen.com" The Whitefields Band (or The WFB to many) new album "In Search of the Mysterious Mister Pigg" attempts to raise the consciousness of its listeners by hook or crook. Also..Remember to support public radio and internet radio!..Hey they're the only ones who will play our music!
