\* Sexy \* 10 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Trance Details: Composer/Singer Tia Knight, born in 1969 in Meridian, Mississippi, had a strong love of the piano at an early age, sparked by her grandmother, Star. Moving on to keyboards in her early twenties, she discovered how to weave sounds both gripping and focused. Blackwood, her debut release in 1999 is a journey not only to another time, but to another place. Homequest, released in 2003 breeds a collection of tunes filled with bewitching vocals and laced with Medieval overtones. Smoke Mirrors is a new sound from Tia Knight swirling with Sexy. What listeners say . . . Tia, I just want you to know that you have a very special gift for expressing the yearnings of the collective conscious and your own special giftline. I know I will enjoy your amazing music for, I hope, my whole life. Blessings to you in your expressing and creating light and love! Love, David I received your CD today from CD Baby and I wanted to tell you, thank goodness for grandmothers. I totally enjoyed your musical composition. I look forward to your next release. Melanie Willmann Dearest Tia, I somehow ran across your music searching out music instrumentals on Napster and was able to download your song entitled Raindance. All I can say is it's breathtaking! The first time I listened to this song it made the hair on the back of my neck and my arms stand up. It was absolutely breathtaking! I believe I've heard it in a dream long before I actually heard it . . . Thank you VERY much, Michael B.
