Iron Records was started as a result of years of mutual experience in the field and a desire to expand and cultivate careers. The founders of this record label, Ken DiNitto and Tracey Daniels, met in 1999. In 2006 the decision was made to combine resources and start up Iron Records. We are still new but are already discovering success and positive feedback from the growing number of clients and fans we encounter. The first artist on the label was Tre, full name Tracey Daniels: originally from the Midwest, with that "Midwest Swing"! He now resides in San Diego, CA,"Westside"! This enrollee to the music industry is here to enhance the minds of all listeners with a new sound in Hip Hop. He comes hard, but not gangster and has street smarts with poise. He has performed in many places throughout San Diego including the Embarcadero, Belly-Up Tavern, Brick-by-Brick nightclub, and the Fireside Restaurant. Keep your eyes and ears open for upcoming performances. Tre has finished his new album (the debut album for Iron Records).
