Related styles: KIDS/FAMILY: Lullabies, EASY LISTENING: Orchestral Pop People who are interested in Norah Jones Dixie Chicks Colbie Caillat should consider this download. Details: Minnesota native, Tristana Ward, a graduate of Berklee College of Music, has been a performing artist all of her life. She moved to Los Angeles to immerse herself in the music industry, eventually founding Celluloid Jukebox, a music supervision and clearance company. While joyfully anticipating the birth of her first child, Tristana was drawn to the idea of creating an album that would be loved by both children AND their parents. Likened to Martina McBride, Norah Jones and Alison Krauss, Tristanas voice sweetly, yet powerfully, delivers each heartfelt tune. The combination of her voice and many of LAs finest film and soundtrack musicians, makes Dreamlandsongs for sleepyheads big and small, a sophisticated, diverse collection of beloved songs.
