

Provence: A Cultural History - Martin Garrett

[DOWNLOAD HERE](#)

Celebrated by writers from Petrarch to Peter Mayle, Provence's rugged mountains, wild maquis and lavender-filled meadows are world-famous. Historic cities like Arles, Avignon and Aix contain Roman amphitheatres, papal palaces and royal residences, while market towns and picturesque villages maintain age-old traditions of wine producing and agriculture. From the highland towns of Digne and Sisteron to the marshy expanse of the Camargue, Provence encompasses a rich variety of landscapes. Martin Garrett explores a region littered with ancient monuments and medieval castles. Looking at the vibrant dockside ambiance of Marseille and the luminous atmosphere of the LubÃ©ron, he considers how writers like Mistral and Daudet have captured the character of a place and its people. He traces the development of Provence as a Roman outpost, medieval kingdom and modern region of France, revealing through its landmarks the people and events that have shaped its often tumultuous history.
