Dear Future SEO Expert, Have you ever tried your luck with Search Engine Optimization, only to end up with poor results or NO results at all? Ranking high in the search engines and getting ALL that FREE traffic is not an easy task? Trust Me! We all have dreams of making it BIG by gaining 1,000s of visits per day with SEO. Its a pretty incredible thing to acheive because your not paying a lot of cash to rank high in the search engines! After months and months of failed attempts, I finally cracked the code to FREE traffic! See whats possible with FREE traffic, this one website is averaging about 150 Visits a day! This may not seem like much but just imagine paying .50 Cents per click! $150 \text{ clicks/day} \times 0.50 = \$75/\text{day}$ $\$75/\text{day} \times 30 = \$2,250/\text{mo}$ By gaining TOP rankings in the search engines.... Im sure you can find other things to do with an extra \$2,000 a month! These are results from just ONE site. I have dozens doing the same! Here is another site that I own, over 70 of my traffic come from search engines, Google in particular! The power of this is unbelievable! Traffic comes in, day in and day out without me doing ANY extra work! Every guru and their sidekick has came out with TONS of ebooks and courses on how to rank in the search engines! The only thing they did was make things very complicated! I didnt understand a lick of that stuff, I guess it

was for the technically inclined! :) After spending lots of precious time and a few paychecks, I have figured out the easy way to getting all that FREE traffic Ive been dreaming about. It was easier than I thought and I want to share the secrets with you! I know you know there are a lot of ebooks, membership sites and courses out there promising you #1 listings in Google in 24 hours! As much as I would like that statement to be true, it simply cant happen! Maybe for keywords with NO traffic! Most of these courses are full of how the search engines work and other nonsense that has nothing to do with ranking high for high traffic keywords! They structure their courses this way for a reason! The reason you buy ebook after ebook and course after course is because the SEO experts want to continue to keep dominating the search engines and take all the traffic for themselves and their clients. This also gives them a reason to publish an ebook every month to keep the sales rolling in! If your trying to learn the easy route to SEO success and FREE traffic, here are some key things to look out for when purchasing your next SEO guide.... ONLY buy from True SEO experts! Get your info from the guys that really know what there talking about! Im talking solid information, NOT theory! Only buy information that has been PROVEN to work for others! The search engines change all the time and if you see other getting GREAT results with a certain method, FOLLOW the herd! Make sure you get strategies that wont get you banned from search engines. Some courses show you tactics that could hurt you in the long run. Some tactics could get you banned and then you could potentially get no traffic to your site, and thats not good at all. Sometime its good to go against the grain! Never take anyones word on if a certain techniques works or not! Try it yourself! Ive done this on many occassions and it resulted in thousands of dollars! These factors are vital to any information that you purchase about search engine optimization.
