Jim Williams is tall, black and beautiful and when he meets gorgeous Steve Wheeler, the attraction is instantaneous and hot! Steve Wheeler hasn't been with a man in more than seven months, but when he meets his new associate, Steve wants to know more about Jim. As the two men get to know each other over golf and beer, they realize their chemistry is right on target and when they have dinner together at Steve's house, the sex is hotter still. But when Jim's ex-lover, Alan, comes back into his life with devastating news, will it be more than Jim and Steve's new love can survive? Special Content Alert: M/M, gritty language, interracial Excerpt: Steve stepped out of his jeans. Jim could feel his gaze raking over his body, taking him in, and for a moment they simply stared at one another. Steve's sun-bronzed skin stretched tightly over well-built muscle. A light dusting of hair covered his chest and stomach. His thighs and calves were well developed, but Jim's gaze was drawn to Steve's cock. The shaft hung halfway down his thigh, and looked as if it was as thick as his own wrist. Jim grinned broadly. So did Steve. A moment later they were locked together in a passionate tangle of arms, legs, and tongues and they sank to the floor. With Steve on his back, Jim hovered over him, his ass toward his face. He grasped Steve's dick in

one hand and wrapped his lips around the head. Steve reached up and clasped Jim's hard cock and pulled him down, stroking the shaft with his hot, wet tongue. Jim groaned as he felt Steve's mouth close over him. He moved his mouth over Steve's balls then ran his tongue up the cleft of Steve's ass until he found the puckered little hole. He tongue-fucked Steve's asshole until it was slick and wet, then he swallowed Steve's dick as he pressed a finger into the tight opening. He felt Steve's ass quiver and then open up for him. He inserted two fingers and moved them slowly in and out and when the opening loosened, he inserted another finger. The faster he finger-fucked Steve's ass, the faster Steve sucked his dick, until Jim had to disengage himself to keep from coming too soon. "I want to feel your ass wrapped around my cock," Jim said as they changed positions. "You got a condom handy?" "Here." Steve reached into a cupboard under the coffee table. He pulled out a box of Trojan's and ripped the paper off with his teeth. "Let me," he said with a grin, and placed the condom in his mouth. He bent over and held Jim's dick in one hand as his mouth wrapped around the head, sucking Jim's dick into his mouth while unrolling the condom at the same time. Jim shivered. If Steve kept this up, he'd blow his load before they even got started.
