"Discover How You Can Easily Find Thousands Of Profitable Niche Blogs To Increase Your Search Engines Rankings... & The Results Are Guaranteed!" Introducing Blog Tracker Software Valued at \$37
What This Amazing Software Does: Identifies Wordpress blogs with the 'nofollow' tag in the comments field in ANY niche you choose Saves you time and effort from searching for blogs manually to leave comments on and building backlinks Shows you the Page Rank of each of the individual blog posts itself

and home page of the blogs Displays the Alexa ranking of each blog (so you know what's the amount of traffic the blog receives) Tells you if you have left a comment previously on the blog so you can track your link building efforts with much ease. Allows you to save your findings and results for more effective tracking/analysis in the future. And Much Much More! FREE BONUS: Giveaway Rights To The Software Worth \$27 And to make this even more irresistible, I'm going to give you the Giveaway Rights (Worth \$27) to this software which allows you to be able to distribute it freely to your either your subscribers or your prospects. You can use it to add value to your subscribers and keep them happy or use it as an ethical bribe to get people to opt in to your list. It's completely up to you! So don't hate yourself for missing out on this crazy opportunity! Just enter your first name and your primary email below then click the "Give Me Instant Access" button to receive your FREE software. (ask them to click on the payment button below if you're selling it) [Insert your autoresponder code here or payment button] *Your information will NEVER be revealed. I hate spam as much as you do. May This Software Bring Your Marketing Efforts to A Higher Level!
