If Kelly Clarkson's "Breakaway" album and Dautry's debut record had a baby, it would be this one. Strong vocals, killer hooks that will leave you singing in your sleep. 12 MP3 Songs POP: Pop/Rock, ROCK: Adult Alternative Pop/Rock Show all album songs: An Ugly Kind Of Beautiful Songs Details: Its no secret that life is not easy. There is no real way to know how the choices we make will effect our future. We cant control the outcome, but we can control how we live through it. There will be many times in your life where you will question the decisions youve made and weigh them against the point in your life to which you currently stand. This is where life starts to get complicated. I have found, however, that as human nature dictates we need to learn to face our demons in all their (ugly) glory. After all, isnt it the ugly that unites us all together? Doesnt loss eventually find new life, and in despair, there is change? We ultimately end up as better creatures than beforescars and all. That is why I choose to embrace my pain and see it for what it truly is. Not so much as ugly, but as an ugly kind of beautiful. My hope is that through this record you will do the same. -Aaron Sidwell
