Ambiance is music to lighten your environment. In our homes, offices, or automobiles, stress accumulates quickly. This stress is generated from both internal and external forces. 14 MP3 Songs NEW AGE:

Healing, EASY LISTENING: Mood Music Details: Acoustitherapy is acoustic instrumental music that is always soft and soothing. These beautiful combinations of harp, guitar, flute, cello, violin, and piano as well as native and world instruments are never loud or fast. The instruments give a natural vibrational energy to a music that is never obtrusive. The variety of instruments produce collections that are never repetitive. The different titles give you music you need to calm your mind, lighten your environment, warm your heart, relieve your tension, or free your spirit. The artists of Acoustitherapy are the best instrumental acoustic musicians from around the country. Their light touches, peaceful natures and inspired music have brought them to Acoustitherapy. They include Darren Cutis Skanson on the Classical Guitar, Kevin Asbjornson on the solo piano, Music For Candles on the Native American Flute, and the multiple guitars of Andrew Thomas Harling. Other artists include Peace&Love&Jigs&Reels, Lisa Lynne Franco on the Celtic Harp, Bob Culbertson, Acoustic Eidlon, Watson Company, Russell Donnellon, and Susan Craig Winsberg
