Great contemporary gospel 12 MP3 Songs GOSPEL: Contemporary Gospel, JAZZ: Smooth Jazz Details:

Well first of all I would like to thank my Lord and savior Jesus Christ for saving me and blessing me with the anointing to write and compose songs that he can get glory from. 2nd I'd like to thank all my brothers and sisters in The Lord that helped to make good songs become even better songs, the songs on this cd were recorded a few years ago but the message in them will never die just like the relationships that I have with each one of these saints. This cd is just what it say it's a reflection of what we did for The Lord a few years ago, and now we would like to bless others with these highly anointed songs. I dedicate this album to Faith L. Lahmon, Hubbard C. Brown, Wanda H. Ross, Regina Stucky, Tony Brassfield, Theresa Renee Lewis. Also to the late Calvin Williams for his outstanding performance on '(His eye is on the sparrow) WITHOUT THE LORD ON MY SIDE If it had not been for The Lord on my side Tell me where would I be, tell me what would I do (Repeat x 1) Lord I really need I need your love and your mercy I need your kindness and your grace Lord I need some help to run this christian race I need you in the morning Lord I need you in the evening too I need you Jesus late at night I need you to make everything alright (Repeat song) WORK ON ME I took a look at my life I knew that something wasn't right I took a look at my life I knew that something was not right I haven't served him as I should but still The Lord has been good, I haven't served him as I should but still The Lord has been good I came to the conclusion that I needed a spiritual transfusion A double dose of the holy ghost is what I really needed most So I'm inviting you Lord to ,,, CHORUS Work on me Jesus Work on me Lord Work on me Jesus Work on me Lord
