Pop Rock, Heavey on Acoustic Guitar 12 MP3 Songs POP: Today's Top 40, ROCK: Progressive Rock
Details: Brian Andrew Lee is known for his amazing voice, soulful delivery and exceptionally written songs. Raised on military bases and living in Kansas, the young Brian Andrew Lee longed to do what his heart desired, make music. At the age of 18, Brian packed up everything he owned into one duffel bag, grabbed his guitar and, bummed a ride to Texas to pursue a musical career. He soon discovered that Austin was the place to be if you wanted to play live music. Brian started his career playing in a variety of different bands and was quickly recognized for his amazing vocal ability. Brian reached a very special crossroad in his career when he met Monte Montgomery, an enigma in the music industry, known for his dazzling performances, songwriting and incomparable guitar virtuosity. Brian and Monte had long shared a great admiration for each other and once Monte invited Brian on stage to sing a few songs, the special relationship they enjoy today was formed. Brian earned high praise and many new fans in 2006 as he opened shows throughout the U.S. touring with Montgomery. Inspired by Phil Collins, Dave Mathews, Sting and of course Monte Montgomery, Brians powerful performances earned him a loyal following of many new fans that enjoy his sophisticated adult rhythms combined with memorable melodies and meaningful lyrics. In 2006 Brian was signed to Harmonic Records and work began on his debut album Pennies Dimes with Monte Montgomery as producer. Together they were "magic". Brian's powerful voice and heartfelt lyrics coupled with Montgomery's amazing fretwork and backup vocals will undoubtedly make Pennies Dimes a favorite CD to many music lovers.
