Original Detroit blues from a band who pays their dues by listening to and hanging out with some of Detroit's best old-school bluesmen 13 MP3 Songs BLUES: Electric Blues, ROCK: Roots Rock Details: This is the debut release from Buck 'N' The System. This CD features ten originals and three covers. Recorded at No Cover's own Straight Ahead Studios with two live cuts recorded at the Red Dog Saloon. The band is a classic blues line-up with harmonica, guitar, bass and drums. Most of the tunes are written by Eric Shaver, except for the "System Shuffle", which was co-written by all the band members. Eric has already penned enough songs for the second CD, so watch for it!
