

Mp3 Charlie Faye - Last Kids In The Bar

[DOWNLOAD HERE](#)

A soulful Americana record that runs the gamut from country-rock to gritty acoustic blues. 10 MP3 Songs

COUNTRY: Country Rock, FOLK: Folk Blues Details: Charlie Faye began honing her musical chops in Philadelphia, PA. Playing acoustic blues in bars and clubs around town, she made quite an impression on the local scene. Charlie moved to New York in 2003 and was quickly recruited to work with roots-music virtuoso Greg Garing. It's clear that during her stint as the Nashville legend's sideman, she picked up a few tricks. Charlie Faye hits the stage with undeniable force. She's got a band that rocks, an attitude that tips its hat to country, and a heart that sings the blues. Faye's debut record, Last Kids in the Bar, was recorded in Fishtown, Philadelphia, with indie producer Brian McTear. Lyrically thoughtful, with gritty, powerful vocals and a true Americana sound, this record leaves no doubt that Charlie Faye is one to watch.
